

Radio Advertising Inc.

re: Thanks

I've been working with RAI for a number of years now, and it's been a growing relationship. RAI has helped Reliant in expanding our advertising sales. RAI has also come up with excellent ideas and helped with the placement of our advertising needs, they are easy to work with and I would recommend him to anyone but my competitors.

I will continue to use RAI for my advertising sales, and look forward to expanding the growth of Reliant Broadcasting with them.

Sincerely,
