To whom it may concern,

KCCU (and our network of stations KCCU, KLCU, KMCU, KOCU & KYCU) has maintained a good relationship with Radio Advertising Incorporated since 2012. We have found RAI to be a reliable source of spots to help us fill our vacant avails. Their copy is well-written for the most part, and the best thing is, it always comes with a check.

If your station has avails, I have no problem in recommending Radio Advertising Incorporated to help your revenue stream.

Sincerely,

Doug Cole
Director of Broadcasting
