

Entercom Communications | Indianapolis

Hey Topaz, Patrick, and Mike,

We just received a couple of orders from your team that are larger than normal...more clients and more spots per client! Your sales team must be discovering how easy it is to sell WXNT Indianapolis - thank you for continuing to make WXNT part of your call out campaigns. We value our partnership with RAI! If we can do anything to support your sales efforts, don't hesitate to ask!

Thanks,
Matt
